

Blessed Mother's Day

Bethesda Chapel has more than 100 mothers and 25 mothers in the English and Chinese congregations respectively.

During the Stay Home - Circuit Breaker period, who are the ones who prepare or order food for the homes?

Husbands, love your wives as your own bodies, they are taking care of your meals. Children, appreciate your mothers for the food that they prepare for you.

Eve was "the mother of all living" (Genesis 3:20). All men and women spent up to nine months in their mothers' wombs. We were wonderfully knitted and formed by God (Ps 139:13-16).

It was not the impersonal Mother Nature that gives life and sustains life. It is a lie. It dishonors our Creator God. True thanksgiving attributes all life's sources and provisions to the personal God who created the heavens and the earth.

Honor the Giver of life, the God of all nature. Yahweh, the LORD is our Heavenly Father. Like a mother, the LORD is personal, loving, and comforting:

"As one whom his mother comforts, so I will comfort you" (Isaiah 66:13).

"Honor your father and mother" (this is the first commandment with a promise) - (Eph 6:2)
