

Announcements

Overall theme for sermons in May:

Jesus is Coming Again! What is my response?

We can have one of these three attitudes:

1. Indifferent: If He is coming back, let Him come. I can't change it.
2. Unbelief: His promise to return seemed so long ago. Maybe it's not true.
3. Expectant: His Second Coming. It is clearly taught in the Bible. I believe it is true.

Why is Christ's Second Coming important? It motivates us to live for Christ, to live for the Gospel, to love all those around us. This is so that they may also believe in Jesus and be forgiven of sins and be saved from the righteous judgment of God.

Jesus is coming back to:

1. Reward all who believe in Him.
2. Repay all who have done wickedly and rejected Him.

Believe Him and be faithful to His Word.

"Wait for the blessed hope - the glorious appearing of our great God and Savior, Jesus Christ." (Titus 2:23)

Appointment for Deacon

Church Council has nominated Andrew Lerh to be a deacon. He will serve as Registrar from the next AGM onwards for 2 years. If there is any objection please inform any of the elders.

Zoom License

On 28 April, BC has purchased Zoom licenses for use by HoDs, SG leaders, etc for ministries in relation to BC.

The license

- Has no 40 mins time limit
- Can host up to 100 participants per meeting

If you need access to a license, please contact Ethan Quek, Ministry Coord for BC (IoT)*.

ethanquek76@yahoo.com.sg

* Internet of Things (IoT) means

"the point in time when more 'things or objects' were connected to the Internet than people"
